WARTBURG LOSES 20-6 AT MASON CITY

Line Play Excellent, With
Trojans Forced to Passes
and End Runs for Goals,
3,000 View Contest.

Friday evening, Sept. 27, the Wartburg College football team met the Mason City Indians at the Mason City stadium before a large crowd. The Indians had won their first game in 1935, but lost to the Trojans. They went down in defeat, 20 to 6. Although the score indicates that the Indians were superior, they did not have enough offensive power, yet there were signs of a future team, for they had a various array of potential strength in Heriot's proteges.

Wartburg Line Game. The Wartburg line was in motion, for little was gained by Trojans in the first four quarters, most of their yards from runs and passes. The Indians, though, passing and better running, were able to gain an edge advantage over the Knights who were ready in need of protection. In both of these departments, the Indians were pre-

pared. Wartburg scored and kicked, but the Indians' offense, for little was gained by Trojans in the first four quarters, most of their yards from runs and passes.
